

Autism Services and Resource Connecticut is proud to present:

Motivation: Driving on the Spectrum

Andrew Arboe

This workshop is for parents and their teens and/or young adults who are learning how to drive. Professionals are welcome to attend. This presentation goes over Andrew Arboe's experiences in getting his driver's license. He created a format called "Motivation" which will help families explore the idea of driving. Driving requires self reflection and a reason and Andrew will guide you through it. He will also go over many helpful tips throughout the presentation. You should not miss this opportunity!
